## Career Objective

As an aspiring and creative graphic designer, I want to establish my career in International, local, and multinational companies. I am seeking an entry-level position to leverage my skills in visual communication, software proficiency. I can assure you that I am able to produce anything you require. When I think beyond the box, nothing appears impossible. I am eager to contribute to a dynamic team while continuously learning and growing within the industry. I will research design and ensure my best to meet clients satisfaction.

## Experience

### Flyer

I have worked on a project where I created a single, by-fold, and tri-fold flyer for a client. ( 26 April 2024)

### Logo

I have worked on a project where I created a unique logo for a client. ( 15 May 2024)

### Business Card & id Card

As a professional graphic designer I created a unique logo for a client. ( 06 June 2024)

## Responsibilities

### Project

A client needed a logo for his car garage from me. He mentioned his and his business partner's name including a special date.

When I was facing an issue with creating a logo mixing of letters and the alphabet. I researched about that kind of logo and got an idea. That is how I solved this problem.

## Educational Qualification

I am currently studying B.Sc in Computer Science & Engineering at the University of The People.

HSC in Science group from "Lalbagh Govt Model College" in 2023 with a GPA 5.00 out of 5.00

SSC in Science group from "Saleh Jahur City Corporation High School" in 2020 with a GPA 5.00 out of 5.00
